Friends of Campbell County, TN Animals Announces Community Partnership with Bo's At Indian River Marina

Jacksboro, TN (June 18, 2024) – Friends of Campbell County, TN Animals (FCCA) is proud to be a community partner with Bo's At Indian River Marina on beautiful Norris Lake. Bo's is a pet friendly marina located in Jacksboro, TN near the Campbell County Animal Shelter. The marina features the Dog House Bar and Grill, water craft rentals, cottages, entertainment and our shelter dog's favorite – Bo's Doggie Splash Park. Also, Bo's features a Dog Menu which allows customer's to order a delicious Bark Bowl. Each Bark Bowl includes an entrée, ice water, treat and tennis ball. Bo's donates \$1 to FCCA for every Bark Bowl Purchased.

On June 15, 2024, FCCA was excited to receive a generous donation from Bo's for \$750 related to their Bark Bowl program. This financial support helps the Campbell County Animal Shelter help cover the operating costs of the shelter. We also appreciate Bo's support for allowing shelter volunteers to bring some of our shelter dogs to their marina and Doggie Splash Park as we work collectively to help dogs find their forever home.

"FCCA would like to thank Marv and Brandi Leeck for their support of FCCA and the Campbell County Animal Shelter," said Patricia Siwinski, Shelter Director of FCCA. "FCCA is constantly seeking financial support to help cover the significant costs we incur in excess of the financial support provided by Campbell County, TN to operate the animal shelter. The generosity of supporters like Bo's and others in our community and many other supporters outside our community provide us the ability to operate the animal shelter and find homes for thousands of homeless animals every year."

Please check out the Campbell County TN Animal Center Facebook page and Indian River Marina – Jacksboro, TN Facebook page to stay up to date on our joint activities to support FCCA and the Campbell County Animal Shelter. If anyone is interested in adopting a dog or cat that you see featured on our Facebook Pages, please contact the shelter. You can view all of our adoptable pets on Petfinder and Adoption applications can be completed online via our website fccanimals.org.

FCCA is a nonprofit organization that manages, provides financial support and oversees the daily operations of the Campbell County Animal Shelter for Campbell County, TN. Our purpose is to preserve

animal life through humane sheltering and finding homes for the thousands of homeless animals that enter our shelter every year. Since taking over the shelter operations in 2015, we have cared for over 24,000 animals, spay/neutered over 3,300 animals, and provided low-cost vaccines to over 4,000 animals in Campbell County, TN. These accomplishments were achieved through the extensive new programs launched by FCCA. FCCA is pleased that these efforts have resulted in increasing our live-release rate for the animals of Campbell, County, TN to ~87% over the last three years.

About Friends of Campbell County, TN Animals

FCCA is a non-profit organization formed in 2012 by a core group of volunteers determined to have a positive impact on animal welfare in the Campbell County, TN community, eventually taking over shelter management and animal control services for Campbell County in 2015. Our goal is to preserve animal life through sheltering animals in a humane environment, promoting pet adoptions, fostering rescue efforts, and inspiring advocacy. We urge responsibility and the importance of spay/neuter of cats and dogs to reduce pet overpopulation, striving to be an animal low-kill community for Campbell County, TN.
